Skyline Prep
High School

August 23, 2019

Dear Skyline Parents,

We are very pleased to share with you that part of our improvement process is complete. Our beautiful outdoor awning with commercial misting system has been installed and is ready for student use.

Starting Monday, August 26, 2019, all Kindergarten through high school students will be enjoying their lunch in the new outdoor eating area. I want to assure you that if we are under a heat advisory, we will move all students indoors for lunch.

We will keep you posted on the status of our other improvement projects as certain deadlines are met. We are working hard to make our campus and learning environment even more beautiful than ever!

Thank you for your patience and as always, feel free to reach out with any questions.

Sincerely,

Tasha Gant

Principal Gant
