Principal: Mrs. Tasha Gant

Absence Reporting Email: absentskylineprep@skylineschools.com

Dear Parents and Families,

I want to begin with saying how much we miss seeing the students' faces. I do hope that everyone is staying healthy and adjusting with the circumstances.

As a school, the teachers and staff have been working tirelessly to prepare for this conversion to online learning. We are very fortunate within the Skyline Family that our students have been working on our online platforms such as Edgenuity, My Path and PathBlazer. We highly recommend all students continue to login to these programs as it will only help them to continue to improve their skills.

Next week, grade level packets will be available on Monday and Tuesday during food pick-up time. Beginning the week of April 6th, we will be moving the majority of our students to an online learning platform. Students in grades 3rd-5th will be using Odyssey Learning and students in grades 6th-12th will have classes assigned through Edgenuity. Finally, for our students in K-2nd, teachers will be communicating with families individually as we get more programs up and running as well as interactive classrooms.

All teachers will be communicating with their classes, providing information such as: class assignments, interactive tutoring hours, and assignment expectations. Our High School students will still be able to earn credit needed towards graduation as long as they choose to complete the online assignments as laid out in Edgenuity.

Sincerely,

Mrs. Gant

Principal K-12

Update your Information

All teachers have been reaching out to our families via phone calls and emails; we ask that families please answer calls and return messages. Information provided will help us to ensure that all students continue to have access to learning. Should you have any questions please do not hesitate to reach out to the school! We will be taking phone calls during normal business hours Monday through Friday from 8:00 a.m. to 4:30 p.m.

Teachers

Encourage students, facilitate learning, and provide feedback

Students

Log in daily, interact with teachers, and ask questions

Parents

Encourage students and ensure they have a daily schedule of when schoolwork is expected to be completed

- Families who notified their teacher of technology shortages will receive an email from the school
- That email will contain a Technology Agreement Form - This form must be read, signed electronically, and returned to the school
- If you do not have an updated email with us, we will be unable to send the form or loan a Chromebook to you and your student for online instruction / remote learning
- If you do not have an email at all, you will need to set one up in order to receive and sign the agreement forms
- After the signed document is received you will be notified of a date and time to pick up a Chromebook from the campus.
- **Please do not come to campus for a Chromebook until you are provided with a scheduled pick up date and time**
- We will be unable to accommodate you unless you have been scheduled
